## SOME HORSE DON'TS

### Things You Should Consider in Treatment of the Animal

Don't run me down a steep hill.

Don't say 'whoa' unless you mean it.

Don't whip me when I get frightened along the road, or I will expect it next time and may cause trouble.

Don't think because I go free under the whip that I never get tired. You too would move up if under the whip.

Don't hitch me to an iron post or railing when the mercury is below freezing. I need the skin on my tongue.

Don't leave me hitched in my stall at night with a big cob right where I must lie down; I am tied and can't select a smooth place.

Don't compel me to eat more salt than I want by mixing it with my oats. I know better than any other animal how much I need.

Don't make me drink ice cold water nor put a frosty bit in my mouth. Warm the bit by holding it a half minute against my body.

Don't trot me up hill, for I have to carry you, the buggy and myself too. Try it yourself sometime by running up hill with a big load.

Don't lend me to a blockhead with less sense than I.

## TIME IS THE TEST.

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon find out when misrepresentations are made, and merit alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly indorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says:

"I value Doan's Kidney Pills as highly today as I did when I first used them in 1893. I got a box then and used it for pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until some four years later, or about a year ago. I again procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully reindorse Doan's Kidney Pills, for they are certainly worthy of recommendation."

For sale by all dealers. Price 50 cents a box. Foster-McMullen Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
